Identifying Error Types and Consequences (Exercise 10)

Purpose: To improve your understanding of the types of SM errors

Method: Column 1 lists the four major types of SM errors. In column 2 identify a recent SM "fail" that corresponds to each of the error types. In column 3 report on the consequence of each error.

Type of Error	Recent SM Example	Consequence
Major Blunder		
Missed Opportunity		
Modest Gaffe		
Minor Oversight
